Verse 1

Temptation came knockin this is what he said
Come inside and ride it's time to flow your head
I got pictures of all your dreams
I got the inside track to all your pleasure filled screams
I give you plant it cravin for misbehaving
Have you talkin to yourself flipped out not worth saving
Out on your 2 o'clock mission chasin the dragon
I'm what got you clamin rag hangin and saggin
Weed and thai smoke bake your dreams
Remember when it comes in y'all join the team
I can give you what you need let you shoot the gun just
plant the seed
Make y'all show em no love push to shove
Every man gotta take his fair turn with no gloves
He said mira easy I go like a 4-4 flow so bad habits die
slow

Chorus

Verse 2

Se le nota en los ojos los tiene rojos neta
Con el demonio vale que no te metas mira
Te gusta el pisto ponte listo
Lo que tu deseas es otra p****h chela
No te desesperes si te gusta la sucia
Escoje la que quieras si te gusta su fruta
Avanca en cachitos hasta que te consume al infierno
tiernos
Y debiles como fracturas corrompe hurras
Provocando el desmadre conjelando te la sangre
El berdadero matador contratador
De aquuerdo lo que digo un grito de si senior
Peligro la navaja tiene doble filo doble sentido
Recando mis hermano y cuidando a mis primos
Si llegara la madrugada coje te tus garras no regresas
pa manana

Chorus

Verse 3

He continued fryin and splifted mind all twisted

I ain't gon lose my mind this mission becasue I'm
gifted
He continued on with stories a Babylon Korea Vietnam
the World Trade Center bomb
Remember prom queen he sent them vatos to the locka
Serve them primetime doses turn them fine freaks
flaca
He put scream to holla heat to bloody valas make locos
shoot out Impalas put evil in dollars
Said there ain't no man too big or small and when he
come around rockin that they all gon fall
I set my mind straight waitin for battle at dawn
Been fightin 26 years long keepin it on
Put my head to the heavens and I close my eyes
Tears but no crys when the sun spot rise
Put my sins in a row forgive me so
I know where I'm a og when my life force go
