It's time to amount an enormous amount of muscle
Move in like 5th battalion while woofers gonna bring
trouble
Que quieres a mia moving to make me a little
somethin'
Won't catch me chasin' the dragon, adrenalin got me
pumpin'

Stop take a breath collect my thoughts
Release defenses and check senses, pull jacks in dope
spots
Puff boom muthafucka I swerve and hit the center
Hit it silver star style while others afraid to enter

Bravery in the battle homes I ain't no doubt
We stand alone usually we left the third click out
That's why we moved on 'cause mental spirits was
gettin' broken
By some leech muthafuckas best kill 'em because we
chokin'

Send a heat seeker to take a section of the industry
Not paranoia you really think they feelin' me?
I cut their finger from hand and cut their hand from
wrist shit
Light another joint time to get lit

It wouldn't be L.A. without Mexicans
It wouldn't be L.A. without Mexicans
It wouldn't be L.A. without Mexicans
It wouldn't be L.A. without Mexicans

It wouldn't be L.A. without Mexicans
It wouldn't be L.A. without Mexicans
It wouldn't be L.A. without Mexicans
It wouldn't be L.A. without Mexicans

Now everybody checkin' the lingo you know I bringo
(Strong arm tactics)
Represento fresco raw through the weso
Y digo trucha con tususia cuando entro con el latin
lingo

Collecting masa across the map like desperado steelo

Now you can bust and I can bust but
Who got that gold in they clutch?
And I'm tremendo cuando prendo lenos down to the
crutch
So if we hittin' la botella then let's gulp it all down

And if we hittin' yerba buena then let's smoke the whole
pound
The Lower East is back up in this muthakilla for realla
Los Delinquentes rifan todo Sur Califa I figure
My DNA is everlasting

It wouldn't be L.A. without Mexicans
It wouldn't be L.A. without Mexicans
It wouldn't be L.A. without Mexicans
It wouldn't be L.A. without Mexicans

It wouldn't be L.A. without Mexicans
It wouldn't be L.A. without Mexicans
It wouldn't be L.A. without Mexicans
It wouldn't be L.A. without Mexicans
