Light will come to those who wait  
From the shadows souls awake  
For these are the days  
When the nations will bow at the coming King

All our kingdoms fall with the mountains  
And our empires crash into the sea  
For these are the days  
When the nations will rise for the coming King

All God's children we will sing hallelujah, hallelujah  
All God's children we will sing hallelujah, hallelujah

Hope will come to those who wait as the heart of  
heaven breaks  
For these are the days  
When the least of us all see the coming King  
For these are the days  
When injustice will fall at the coming King

All God's children we will sing hallelujah, hallelujah  
All God's children we will sing hallelujah, hallelujah

All God's children we will sing hallelujah, hallelujah  
All God's children we will sing hallelujah, hallelujah  
Hallelujah, hallelujah, hallelujah, hallelujah  
Hallelujah, hallelujah, hallelujah, hallelujah

There will come a day when all will fall away  
We'll be singing hallelujah  
There will come a day when this all will fall away  
We'll be singing hallelujah

All God's children we will sing hallelujah, hallelujah  
All God's children we will sing hallelujah, hallelujah  
Hallelujah, hallelujah, hallelujah, hallelujah
