

Delirious? "Bliss"

Visit "[Bliss](#)" on MotoLyrics.com

I feel lonely when it's you I miss
I feel crazy when I dream like this
I've traveled all this way for just one kiss
Is it bliss, is it bliss, yes it is

Rock 'n' roll is everything
Everything to a lonely man
And never will I bow
To you

I, I, I
I'm not backing down
I, I, I
I'm not backing down

Take me to the place where eagles fly
Where my love for you I never can deny
If I'm right then you are wrong
If I'm wrong then I really lived
And if I die with no rewards
Then I know I had peace 'cause I carried the sword

I, I, I
I'm not backing down
I, I, I
I'm not backing down

I, I, I
I'm not backing down
I, I, I
I'm not backing down

It's the simple things that satisfy
Keep my feet on the ground any my head in the sky
I love you more than I can say
And I won't change my mind on the choices I made

I, I, I
I'm not backing down
I, I, I
I'm not backing down

I, I, I
I'm not backing down
I, I, I
I'm not backing down
