I wanna go deeper

But I don't know how to swim

I wanna be meeker

But have you seen this old Earth?

I wanna fly higher

But these arms won't take me there

I wanna be

I wanna be

Maybe I could run

Maybe I could fly

To you

Do you feel the same?

When all you see is blame in me

And the wonder of it all

Is that I'm living just to fall

More in love with you

And the wonder of it all

Is that I'm living just to fall

More in love with you

I wanna go deeper

But is it just a stupid whim

I wanna be weaker

Be a help to the strong

I wanna run faster

But this old leg won't carry me

I wanna be

I wanna be

Maybe I could run

Maybe I could fly

To you

Do you feel the same?

When all you see is blame in me

And the wonder of it all

Is that I'm living just to fall

More in love with you

And the wonder of it all

Is that I'm living just to fall

More in love with you

And the wonder of it all

Is that I'm living just to fall

More in love with you

And the wonder of it all

Is that I'm living just to fall

Maybe I could run

Maybe I could follow

It's time to walk the path where many seem to fall

Hold me in your arms
Just like any father would
How long do we have to wait?
How long?
We're goin' all the way
And the wonder of it all
Is that I'm living just to fall
More in love with you
And the wonder of it all
Is that I'm living just to fall
More in love with you
The wonder of it all
And the wonder of it all
The wonder of it all
And the wonder of it all
Is that I'm fallin, fallin, fallin
