

## **Delirious? "Deeper"**

I want to go deeper but I don't know how to swim  
I want to be meeker but have you seen this old earth?  
I want to fly higher but these arms won't take me there  
I want to be, I want to be

Maybe I could run  
Maybe I could fly to you  
Do you feel the same  
When all you see is blame in me?

And the wonder of it all is that I'm living just to fall  
More in love with you  
And the wonder of it all is that I'm living just to fall  
More in love with you

I want to go deeper but is it just a stupid whim?  
I want to be weaker, be a help to the strong  
I want to run faster but this old leg won't carry me  
I want to be, I want to be

Maybe I could run  
Maybe I could fly to you  
Do you feel the same  
When all you see is blame in me?

And the wonder of it all is that I'm living just to fall  
More in love with you  
And the wonder of it all is that I'm living just to fall  
More in love with you

Maybe I could run  
Maybe I could follow  
It's time to walk the path  
Where many seem to fall

Hold me in your arms just like any father would  
How long do we have to wait?  
How long, we're going all the way

And the wonder of it all is that I'm living just to fall  
More in love with you
