

Delirious? "Everyone Knows"

Everyone knows that this
Fire grows and I'm a man
A man who knows
Where this fire glows

Love grows stronger when you
Give it away
I'm holding on to see the
Sunrise, your eyes

You have this wonder and it's beautiful
It makes my face shine like the
Sunrise, your eyes, time to realize

It was love that saved us
And love will save again
Only love can save us
And love will save again

Everyone knows that this
Fire grows and I'm a man
A man who knows
Where this fire glows

I love to hear you singing
Sweet redemption songs
Your face is brighter than the
Sunrise, your eyes, time to realize

It was love that saved us
And love will save again
Only love can save us
And love will save again

Everyone knows that this
Fire grows and I'm a man
A man who knows
Where this fire glows, yeah

Everyone knows that this
Fire grows and I'm a man
A man who knows where this

Fire, fire, fire, fire glows
Everyone knows, everyone knows
Everyone knows

You lift me off when I fall down
'Cause I was lost but you turned me around
You lift me off when I fall down
Yeah, I was lost but you turned me around

Everyone knows, everyone knows
Everyone knows where this fire glows
