All around the world the fires burn  
They burn for You for what is true  
And Your bride across the earth is pushin' through  
And we're glorious when we mirror You

Oh, this world's on fire  
For You are our great desire

Jesus, born to take us home  
And home is where the heart is  
Jesus, come and take us soon  
Your home is where my heart is

All around the world the fires burn  
To light the way for Your return  
And we know one day, You'll split the sky in two  
And we will fly to be with You

Oh, my world's on fire  
'Cause You are my great desire

Jesus, born to take us home  
And home is where the heart is  
Jesus, come and take us soon  
Your home is where my heart is

Jesus, born to take us home  
And home is where my heart is  
Where the heart is

[Incomprehensible]  
[Incomprehensible]

Jesus, born to take us home  
And home is where my heart is  
Jesus, come and take us soon  
Your home is where my heart is
