

Delirious? "Follow"

I've found love as deep as the ocean
And Your eyes, they hit me like a train
And Your words serenade me like the sweetest of
songs
Here I find peace again, yeah yeah, again

I will follow, I will follow
I will follow, I will follow

There's a song and it's louder than music
Can You hear me when there's no sound?
Joy, 'cause I dance with the angels
Take me higher, I'm not coming down
And Your words serenade me like the sweetest of
songs
Here I found peace again

I will follow, I will follow
I will follow, I will follow

I will follow, I will follow
I will follow, I will follow
I will follow

I will follow
I will follow
I will follow You

I will follow
I will follow
I will follow You
