

Delirious? "Grace Like A River"

Mystery of mysteries
That you could love someone like me
In your hands eternity
And yet you have the time for me
A love so undeserved
You held nothing in reserve
Heaven played it's symphony
I took your hand and you rescued me

Grace like a river
Is flowing down
Is flowing down
Grace like a river
It's flowing down to me

Staring at my history
Was all alone but never free
The sands of time have let me see
Your faithful shadow next to me
A love so unreserved
I did nothing to deserve
Love so free but what's the cost
To carry this old rugged cross

Grace like a river
Is flowing down (how sweet the sound)
Grace like a river
Is flowing down (oh you're all around)
Singing Grace is like a river
It is flowing down to me

I love you
I thank you
I'm nothing
Without you

(Grace like a river)
Is flowing down, is flowing down

(Oh your Grace like a river)
Is flowing down on me

And I'm signing here cos you're all I want
You're the sweetest sound the healing sound
Flowing down, ooooooh
