Show me a vision like Isaiah saw  
Where the Angel touched his lips and he sinned no  
more  
Let me hear your voice saying "Who shall I send?"  
I'll say "Send me, Lord, I'll follow you to the end"

Show me a vision like Ezekiel saw  
An army of light from a valley of bones  
Breathe life into these lungs of mine  
So I can scream and shout of your love divine

Search light, burns bright, floods my eyes  
Invade me, serenade me, I'm giving back my life

Here I am, send me  
Here I am, send me  
There's nothing in my hands  
But here I am, send me

I'm in Jacobs dream seeing heavens gate  
Let me climb all night on my ladder of faith  
Wrestle with the Angel till my body is weak  
Dislocate my bones for it's you that I seek

Show me the light Paul Apostle saw  
When he fell to the dust, he could see no more  
Open my eyes, open my eyes  
Open my eyes, open my eyes

Search light, burns bright, floods my eyes  
Invade me, serenade me, I'm giving back my life

Here I am, send me  
Here I am, send me  
There's nothing in my hands  
But here I am, send me

I'm frightened what you'll find  
When you open up my heart  
I'm walking in the light  
'Cause it's light that changes the atmosphere

So touch these lips that criticize  
And put a song in my mouth that opens our eyes  
Open your eyes

So here I am, send me  
Here I am, send me  
There's nothing in my hands  
But here I am, send me

Here I am, send me  
Here I am, send me  
There's nothing, there's nothing  
And nothing and nothing  
But here I am, send me
