In the secret  
in the quiet place  
in the stillness You are there  
in the secret  
in the quiet hour i wait  
only for You  
'cuz i want to know you more

i want to know you  
i want to hear your voice  
i want to know you more  
i want to touch you  
i want to see your face  
i want to know you more

i am reaching for the highest goal  
that i might receive the prize  
pressing onward  
pushing every hindrance aside  
out of my way  
'cuz i want to know you more

i want to know you  
i want to hear your voice  
i want to know you more  
i want to touch you  
i want to see your face  
i want to know you more

i want to know you  
i want to hear your voice  
i want to know you more  
i want to touch you  
i want to see your face  
i want to know you more

i want to know you  
i want to hear your voice  
i want to know you more  
i want to touch you  
i want to see your face  
i want to know you more
