They are beautiful
So beautiful to me
Your mystery
How you know me, yet you love me, mmmmm
Your kindness, it brings me to my knees
Your kindness, it leads me to say sorry

I was blind, but now I see
I was broken but you carried me
I was lost, but now I'm found
I was guilty but you turned me around

I love your ways
They are beautiful
So beautiful to me
I love this sort of free
How you trust me yet you know me
Your kindness, it brings me to my knees
Your kindness, it leads me to say sorry

I was blind, but now I see
I was broken but you carried me
I was lost, but now I'm found
I was guilty but you turned me around
I was blind, but now I see
I was broken but you carried me

Let it shine on me,
Let it shine on me,
Let it shine on me,
Let it shine

Let it shine on us
Would you shine on us?
Let it shine on us
Let it shine on us
Would you shine on us?
Would you shine on us?
Would you shine on us?
Would you shine on us?

I was blind but now I see

I was broken but you carried me
I was lost but now I'm found
I was guilty but you turned me around
