Ooh ooh ooh just another day
When being with you
shines a light as I go my way
Oh ooh ooh just another day
Another moment you and
I can take it all the way
And it's Ok

I'm with you, I'm with you, only you
To steal another day, is all that's on my mind
And I'm staying here to find that
I'm with you

Ooh ooh ooh nothing left to say
When my heart it burns with holy fire
don't get in my way
Ooh ooh ooh give it all away
Got to keep these clean hands dirty
if I'm gonna to stay awake
But it's Ok

I'm with you, I'm with you, only you
To steal another day, is all that's on my mind
And I'm staying here to find that
I'm with you

You never let me go
you never let me fall
I know you're in this pain
and when i've got it all
and i'm clinging on to you
cos it's all that we can do
cos knowing you is beautiful

You're beautiful
You're beautiful
Ooh ooh ooh, yes you're beautiful
Ooh ooh ooh, yes you're beautiful

I'm alive cos you're alive
I'm alive cos you're alive (sing it)
I'm alive cos you're alive

I'm alive cos you're alive
I'm alive cos you're alive
I'm alive cos you're alive (sing it)
I'm alive cos you're alive
I'm alive
I'm alive in you
I'm alive in you
I'm alive in you
I'm alive cos you're alive
Yeah ooh ooh ooh oh oh
OH oh oh, yes you're beautiful
