

Delirious? "Inside Outside"

Visit "[Inside Outside](#)" on MotoLyrics.com

Inside outside, under my skin
Never ending love I don't know where it begins?
I don't know where it ends, I don't know how high
I don't know how deep, I don't know how wide
Outside inside around the world
Never ending love envelops me like a cloud
I feel you in front, I feel you behind
I feel you up above, And I feel you at the side

And you, you're all over me, you're all over me
Your banner is over me, I give it all 'cos

You still captivate me, fascinate me
You still captivate me, saturate me

Inside outside, pulling me in
No matter where I run I know you'll never give in
I see you in the storm, I see you in a kiss
I've been around the world and never found a love like
this

And you, you're all over me, you're all over me
Your banner is over me, I give it all 'cos

You, still captivate me, fascinate me
You still captivate me, saturate me
You still captivate me, liberate me
You still captivate me

You're all over me, you're all over me
You're all over me
You're everything I want to be
I'm all over you, you're everything I want to see
You're all over me

Inside outside
Inside outside

And you, you're all over me, you're all over me
Your banner is over me, I give it all 'cos

You, still captivate me, fascinate me

You still captivate me, saturate me
You still captivate me, liberate me
You still captivate me

You fascinate me

You, still captivate me, fascinate me
You still captivate me, saturate me

You fascinate me

You celerbrate me
