

Delirious? "Lead Me"

Visit "[Lead Me](#)" on MotoLyrics.com

We have flooded the altar with our tears
We have wearied You Lord with our words
Great God, out promises we've broken
Oh Lord, forgive me

You are breaking the pride in our hearts
You have given us tears for the lost
You crown the humble with salvation
Oh Lord, humble me

Lead me, oh, lead me into Your arms
I will be safe in the shadow of your wing
Lead me, oh, lead me into Your arms
I will be safe in Almighty

You have paid back out sin with Your love
Lovers arms you have offered us
Faithful one raise up a faithful people
Who find their treasures here
