

## **Delirious? "Rollercoaster"**

Visit "[Rollercoaster](#)" on MotoLyrics.com

What is goin' on? Living on this rollercoaster  
Up and down, twisting, turning, bruising, burning

Speak to me, tell me all the things that I want to hear  
Show me all the things I love so dear, so speak

Here I'm spinning on, living on this Merry-Go-Round  
Off the ground, crying, flying, nauseating

Speak to me, tell me all the things I want to hear  
Show me all the things I love so dear, so speak

And I would take it all again, yeah  
If it means I get you, I would sing this song again  
I'll let you

Speak to me, tell me all the things I want to hear  
Show me all the things I love so dear, speak to me  
Speak to me, yeah speak to me

So speak  
So speak  
So speak
