Here I am in that old place again  
Down on my face again  
Crying out I want You to hear my plea  
Come down and rescue me

How long will it take?  
How long will I have to wait?

'Cause all I want is all You have  
Come to me, rescue me  
Fall on me with Your love

And all You want is all I have  
Come to me, rescue me  
Fall on me with Your love

Sanctify, I want to be set apart  
Right to the very heart  
Prophecy to the four winds  
And breathe life to this very place

How long will it take?  
How long will I have to wait?

'Cause all I want is all You have  
Come to me rescue me  
Fall on me with Your love

And all You want is all I have  
Come to me rescue me  
Fall on me with Your love

And all I want is all You have  
Come to me rescue me  
Fall on me with Your love

And all You want is all I have  
Come to me, rescue me  
Fall on me, lavish me  
[Incomprehensible]  
Rescue me

And all You want is all I have  
Come to me rescue me  
Fall on me with Your love

Lifted up, I've climbed with the strength I have  
Right to this mountain tip  
Looking out, the cloud's getting bigger now  
It's time to get ready now
