

Delirious? "Solid Rock"

There's a rock that doesn't move
It hasn't moved, it will never move
Even though the waves come crashing down

There's a tower on a hill
It's always strong, it will never shake
It was standing there before the world began

There's a wave that's coming in
Washing over this town
It will make or break us, reinvent us
It's time to lay me down

On Christ, the solid rock we will stand
All other ground is sinking sand
On Christ, the solid rock we will stand
We'll climb on Your back, take us to higher ground

There's a song that doesn't fade
It never fades it was custom made
To raise the sons and daughters of this earth

There's a sound that's coming in
Rushing over this town
It will make or break us, reinvent us
It's time to lay me down

On Christ, the solid rock we will stand
All other ground is sinking sand
On Christ, the solid rock we will stand
We'll climb on Your back, take us to higher ground

My hope is built on nothing less
Than Jesus blood and righteousness
I dare not trust the sweetest frame
But wholly lean on Jesus name

When darkness seems to veil his face
I rest on His unchanging grace
In every high and stormy gale
My anchor holds within the veil

His oath, His covenant and blood
Support me in the 'whelming flood
When all around my soul gives way
He then is all my hope and stay

When the last trumpets voice shall sound
Oh, then I may in Him be found
Clothed in his righteousness alone
Faultless to stand before His throne

On Christ, the solid rock we will stand
All other ground is sinking sand
On Christ, the solid rock we will stand
We'll climb on Your back, take us to higher ground

On Christ, the solid rock we will stand
All other ground is sinking sand
On Christ, the solid rock we will stand
We'll climb on Your back, take us to higher ground
