"Take Me Away"

I'm in love with a girl,
Everybody seems to know.
I'll sing it loud,
Sing it cos I'm feeling proud of,
Love, oh yeah this is love.

Chorus:
You take me away to another place,
You show me away to a higher grace.
You take me away to another place,
I'm seeing it all with a happy face.

She can walk on the waves,
Crashing through my own desire.
Swing and sway,
Dance until my demons fly away.
This is love, this is love.
