I'll take off my shoes, I'm coming in  
Untie this rope, I'm staying with Him  
Love of my life, I'll live and die  
Just for the moments for my King and I

Why did you call, why did you wait  
For someone so guilty, someone so fake  
There are no words for my beautiful song  
Now I'm in the arms of my beautiful one

Hold me, blow all the pride from my bones  
With Your fire  
Hold me, breathe on this heart made of stone  
Keep it pure

I'll take off this crown and fall at Your feet  
The secret of joy are the moments we meet  
How could a man with all of Your fame  
Pull me from darkness and call me by name

So hold me today as I carry Your cross  
Into the desert to find who is lost  
Look at my hands, they're still full of faith  
God, keep them clean till we finish the race

So hold me, blow all the pride from my bones  
With Your fire  
Hold me, breathe on this heart made of stone  
Keep it pure

So hold me, Saviour of Heaven and Earth  
King forever  
Hold me, love of my life lead me on  
Through the fire, lead me on

Lead me on  
Lead me on  
Lead me on  
Here we go

I've loved, I have loved  
[Incomprehensible]

[Incomprehensible]  
Stand up and destroy

We've got to finish, finish  
We've got to finish, finish  
I love You

I'll take off this crown and fall at Your feet  
So hold me now
