Oh, I could sing unending songs
Of how You saved my soul
Well, I could dance a thousand miles
Because of Your great love, yeah

My heart is bursting Lord
To tell of all You've done
Of how You changed my life
And wiped away the past

Oh, I wanna shout it out
From every roof top, sing
For now I know that God
Is for me not against me

Oh, I could sing unending songs
Of how You saved my soul
Well, I could dance a thousand miles
Because of Your great love
Oh oh, everybody dance, yeah

My heart is bursting Lord
To tell of all You've done
Of how You changed my life
And wiped away the past

Oh, I wanna shout it out
From every roof top, sing
For now I know that God
Is for me not against me

Oh, I could sing unending songs
Of how You saved my soul
Well, I could dance a thousand miles
Because of Your great love
Oh, everybody dance, yeah

Everybody's singing now
'Cause we're so happy
Everybody's dancing now, yeah
'Cause we're so happy, yeah

If only we could see Your face
And see You smiling over us
And unseen angels celebrate
For joy is in this place, yeah

Oh, I could sing unending songs
Of how You saved my soul
Well, I could dance a thousand miles
Because of Your great love, ooh everybody

Oh, I could sing unending songs
Of how You saved my soul
Well, I could dance a thousand miles
Because of Your great love

Oh, I could sing unending songs
Of how You saved my soul
Well, I could dance a thousand miles
Because of Your great love

Well, I could dance a thousand miles
For You, my Lord
Well, I could dance a thousand miles
For You, my Lord
