

Delirious? "The Years Go By"

Visit "[The Years Go By](#)" on MotoLyrics.com

Looking back across the years
We've had joy, we've had tears
Hand in hand we've run the race
Gratitude for Your grace

Thank You, every time You've led us through
Always You are the fire in me

The years go by and still I fly
On wings like eagle's
You take me high where angels cry
Glory forever

Looking back we had a dream
History we will make
Let the broken let the strong
Live our lives as a song

Thank You, You're the one who keeps it true
Always You are the fire in me

The years go by and still I fly
On wings like eagle's
You take me high where angels cry
Glory forever

Yeah yeah yeah

The years go by and still I fly
On wings like eagle's
You take me high where angels cry
Glory forever
