I see You smile  
See You lighting up the sky  
Through the rain  
Love will shine for You and I, we'll fly

With You I'll be free  
With You I'll be me

Waiting for the summer  
We'll be laughing, we'll be dancing  
Shining in the sun  
You're my beautiful one, yeah, la la la

I see You smile  
You're not living for this life  
Innocence, You remind us how it can be right

And You make me free  
Come away our dreams will be

Waiting for the summer  
We'll be laughing, we'll be dancing  
Shining in the sun  
You're my beautiful one, yeah

Waiting for the summer  
We'll be laughing, we'll be dancing  
Nothing more to say  
It's a beautiful day, yeah, la la la

And You make me free  
And You and I will be

Waiting for the summer  
We'll be laughing, we'll be dancing  
Shining in the sun  
You're my beautiful one, oh

Waiting for the summer  
We'll be laughing, yeah  
It's a beautiful day  
Have a beautiful day, yeah, la la la
