When the road is rough and steep and it leads a heart
to weep

There's an ocean of tears that You've held through the
years

But we're not stopping here

On this long and winding street will You guide these
weary feet?

Every step that we take with our hearts full of faith
And we're not stopping here

Together we are stronger so put Your hand in mine

We give You praise, we give You praise
And the King of all the earth has saved us from
ourselves

We give You praise, we give You praise

Through the avenues of time here You meet me where I
am

We walk with glory and pain and You've broken the
chains

So there's no stopping here

Together we are stronger so put Your hand in mine

We give You praise, we give You praise
And the King of all the earth has saved us from
ourselves

We give You praise, we give You praise

Yes, we give You praise, we give You praise
And the King of all the earth has saved us from
ourselves

We give You praise, we give You praise

Glory, we sing glory, we sing glory

In the darkness where You shine

Let it shine, let it shine

We give You praise, yes, we give You praise
And the King of all the earth has saved us from

ourselves

We give You praise, we give You praise

I love You Lord

We give You praise, praise, praise

We give You praise, praise, praise
