

Delirious?

"When All Around Has Fallen"

When all around has fallen your castle has been
burned
You used to be a king here now no one knows your
name
You live your life for honor, defender of the faith
But you've been crushed to pieces and no one knows
your pain

Come, come lay your weary head be still my friend
Come, rise I'll place my sword upon your shoulder
Come, rise with me

When tomorrow has been stolen and you can't lift your
head
And summer feels like winter your heart is full of stone
Though all your hopes have fallen your skin is now your
only Armour
Wear your scars like medals defender of the faith

Come, come lay your weary head be still my friend
Come, rise I'll place my sword upon your shoulder
Come, come lay your faithful head, be still my friend
Come rise with me
