Give me release  
Witness me  
I am outside  
Give me peace

Heaven holds a sense of wonder  
And I wanted to believe  
that I'd get caught up when the rage in me subsides

Passion choke the flower  
'Til she cries no more  
Possessing all the beauty  
Hungry still for more

Heaven holds a sense of wonder  
And I wanted to believe  
that I'd get caught up when the rage in me subsides

In this white wave I am sinking in this silence  
In this white wave in this silence I believe

I can't help this longing  
Comfort me  
I can't hold it all in  
If you won't let me

Heaven holds a sense of wonder  
And I wanted to believe  
that I'd get caught up when the rage in me subsides

In this white wave  
I am sinking  
In this silence  
In this white wave  
In this silence I believe  
I have seen you in this white wave you are silent  
You are breathing in this white wave  
I am free
