Ooh, Puerto Rico
Toma

Pronto llegara
El dia de mi suerte
Te lo juro por mi gente
Te juro que un dia llegara

And we won't stop
We always knew we'd make it
Even though you player hated
We still made it to the top

Puerto Rock Puro, not Menudo, no, I'm not the one
I'm studyin' Judo, you don't know if I got a gun
It's Pun, from the X side of things, baguette inside my
rings
Everything I want I gets, bada-bing

It's mine I Shyne like money that sound like Biggie
Fuck around my town, boogie down my city
Come around get pound to the ground no pity
Watch the sound, fo' pound twenty round milli'

Get smacked silly for coming out your mug
I'm known for bouncin' thugs from the tunnel to the
salsa clubs
Don't matter, put the chrome to your bladder
Splatter your abs, have you pissin' in a plastic bag

That's a drag now you abnormal
Don't make me go out to rumble
And put some motherfuckin' stabs on you
The night is young and I'm already fightin', hidin' my
gun
Promoter buggin', screamin', "Who the fuck invited
Pun?"

Pronto llegara
El dia de mi suerte
Te lo juro por mi gente
Te juro que un dia llegara

And we won't stop
We always knew we'd make it
Even though you player hated
We still made it to the top

From San Juan to Bayamon, I'm the Don Juan beside the
Don
Live long, get your party on
Don't let the liquor fool you 'cause I'll stick it to you
Somethin' sharp to the heart or somethin' big to move
you

The Desert or the shottie, whatever you the body
That chose to be the dumb nigga at the party
Too much Bacardi started speakin' dumb
Then you tried to snuff Joe, must have been Puerto
Rican rum

That's the hardcore, two years a sophomore
Takes years to earn a pair of Terror Squad balls
So get lost or take one, bones I break them
Pigs are bacon, so get fried if they come

You see that? I'm like G. Rap, 'Pac, Master P
All balled up with a twist of Marc Anthony
Recognize me I'm the one that's cockin' the auto
Tony Sunshine please canten el coro

Pronto llegara
El dia de mi suerte
Te lo juro por mi gente
Te juro que un dia llegara

And we won't stop
We always knew we'd make it
Even though you player hated
We still made it to the top

It ain't over
I thought you ain't like the beat
Te digo que no se ha acabao

La tierra del Borinquen donde nacido yo
Aha, aha, ah, aha
Es un jardin florido de magico primor
Aha, aha, aha, aha, aha, aha, aha
Un cielo siempre nitido, que sirve de dosel
Y dan arrullos placidos, las olas a sus pies

Pronto llegara

El dia de mi suerte
Te lo juro por mi gente
Te juro que un dia llegara

And we won't stop
We always knew we'd make it
Even though you player hated
We still made it to the top

A Puerto Rico
