Don't wanna beeeee a playahh

Intro/Chorus: Joe, Big Punisher,
I don't wanna be a playa no more
I'm not a playa I just fuck a lot
But Big Punisher, still got what you're lookin for
For my thugs niggas, for my thugs nigga
Uptown baby, uptown
Don't wanna be, don't wanna be -- I don't wanna be a
playa no more
I'm not a playa I just fuck a lot
But you know Big Pun and Joe still down by law
Who's down to crush a lot
{Big Punisher}:

Hey yo I'm still not a playa but you still a hater
Elevator to the top hah, see you later, I'm gone
Penthouse suite, Penthouse freaks
In house beach, french countesse, ten thou piece
Rent-out lease, with a option to buy
Coppin a five-oh Benz for when I'm not, far up in the
sky
Puffin the lye, from my Twinzito
Up in the Benzito with my Kiko from Queens,
nicknamed perrico
We go back like PA's and wearin PJ's
Now we reach the peakage, runnin trains for three days
Who wanna ride it won't cost you a dollar
whether soft or harder of course you still gonna holla
My my, I'm big huh, I rip my prick through your hooters
I'm sick, you couldn't measure my dick with six rulers
Hold up, chula, I'm all about gettin loot
But I knock that boot, if you out to get hoof

Chorus:
{Big Punisher}
I love from butter pecan to black berry molass'
I don't discriminate, I regulate every shade of that ass
Long as you show class, and pass my test
Fat ass and breasts, highly intelligent bachlorettes
That's the best, I won't settle for less

I wanna get a brunette, with unforgettable sex
I lay your head on my chest, come feel my heartbeat
We can park the Jeep, pump Mobb Deep, and just spark
the leaf
It's hard to creep since I found Joe
Every pretty round brown hoe wanna go down low
But this Boogie Down pro-fessional, I'ma let you know
Once I quit the blows, get your clothes, cause you got
to go
out the do' downstairs, little brown hairs everywhere
(You nasty Twin) I don't care
Round here they call me Big Pun, if you with the big
guns
Take time, known to make a chick cum

{Joe and Big Punisher}

In the hot tub, poppin bubb-ly
Rubbin your spot love, got you screamin Punish me
But it don't stop, watch the Pun get wicked
When I stick even Luke be like "Don't stop, get it get it"
(repeat 2X)

Chorus: w/o Big Punisher

{Joe}

Boricua, morena, boricua, morena (3X)
No more rollin with an entourage
Unless it's Pun and the Terror Squad
Punisher, Punisher, Big Punisher
Punisher... Joe and Big Punisher

Boricua, morena, boricua, morena (6X)
