Album: Endangered Species

(feat. Ricky Martin, Fat Joe, Cuban Link)

[Big Punisher]

Yeah baby

There ain't nothing better

You know you like it like that

Check it out yo, yo

She had it goin on, red bone, fresh out of Bayamon

In the calle long, Dona Ana throwin at her corazon

I should of know she was a cachatera

Always watching novelas with her abuela

Gossiping that bonchinchera

Thought that she was better

Cause she was pure boricuan

I was New Yorican, the Bronx

Pledging my true allegiance

But now you're leaving me

See I lost out before

See you in my next life, adios mi amor

Mi amor

[Ricky]

She's into superstitions

Black cats and voodoo dolls

I feel a premonition

That girl's gonna make me fall

She'll make you take your clothes off

Going dancing in the rain

She'll make you live her crazy life

The girl will drive you right insane

[2 - Ricky]

Upside, inside out

She's livin' la vida loca

She'll push and pull you down

Livin' la vida loca

Her lips are devil red

And her skin's the color of mocha
She will wear you out
Livin' la vida loca

[Ricky]
Woke up in New York City
In a funky, cheap hotel
She took my heart and she took my money
She must have slip me a sleeping pill

She never drinks the water
Makes you order French champagne
Once you've had a taste of her
You're guaranteed to go insane

[Repeat 2 (2x)]

[Cuban Link]
Yo, yo Joe the first day I saw her face
She had me walking in space
Wanting to say something
But I was frozen, stuck in one place
I ain't fronting Seis she was more amazing in grace
The type of face you pay to say everyday upon the
stage

[Fat Joe]
I met her at a rave
Back in the days
We could of got engaged
Shorty's body was tight
Have many that ask her aids
Masquerades and mardi Gras
She likes to play menage et tois
Lost it all
But that's the way the hottie was

[Repeat 2]

Oh, she'll push and pull you down
Her lips are a devil's red
She will wear you out
(Livin' La Vida Loca)
Oh, oh yeah
Lips of devil's red
She will wear you out
(Livin' La Vida Loca)
