It took a long time sittin' in your one and only  
Niggas said they comin' in a month or so  
But they run though, how they really want it  
Want all the rain and thunder shit

Niggaz talkin' this hocus pocus, focus on the lyrical,  
lyrical content  
From the Bronx to Compton, say enormous  
Hit the CD stay sober, listen tell we smoke a blunt  
Listen get sound, give it to you, give it to you

Don't be alarmed, sound affects normal and I'm a MD  
not a MC  
Step ahead, said of that shit in your walk in  
You singin', I give you somethin' to bounce to and think  
about  
That the same crew with the same lou on the same  
rhyme

Step on education at the same time, play mine  
It'll bite you like a K-9, obey mine like Sprite nigga  
Get it right nigga, with the right nigga, tight for the  
calm shit  
It be bomb shit, every day, all day, his way, ya'll way  
See you in the hallway, the floor way, 4-4 way  
Did you call before me, now give me

Yo L O R D, you gunz done block scared me  
You all be smokin' Bob Marley, soft nigga Harvey  
Stress me, wanna step in me  
Test me, strap you best a be 'cuz I'm a blessy

Underestimate he who take the cake and weed  
Lord and gunz, see the 44 then run  
'Cuz there more to come, blastin' all you niggaz  
Quick fast, I'm harassin' laughed at you nigga

Bust a cap in all, you fake rap actor  
Wanna be, thug bus wanna see, slug nigga what  
I'm from Soundview, I'll pound you down to the ground  
To the earth shake earth quake

And the best is the first to make platinum  
What's happenin', soft he or nothin'  
Sweet here, no slappin', the name is everlastin'  
I'm romindom fastin' with the passion  
I'm askin' give me mine, I get the 9  
See me on the streets got beef, wanna get me fined

Reign  
Reign  
Reign  
...
