The seductress that flatters with her tongue
Don't be lead astray by her deceit
Nany are the victims she's cast down
All her slain are a might host
Her house is the way to hell
Descending to the chambers of death
Time and time and time again
Men are slaves to her
Sexual immorality
Leaving out the purity
It's not the way God intended it to be
Repentance is essential here
So we must practice what we preach
Fornicators shall have their part
Only hypocrites do the opposite of what they teach

You've been paid for
At a price
You've been bought by blood

the precious blood of Christ
You've been bought by blood

All her slain are mighty host
Her house is the way to Hell
Descending to the chambers of death

You've been paid for
At a price
You've been bought by blood
The precious blood of Christ
You've been bought by blood
