Don't you know  
I have fallen in love with you  
For the rest of my whole life through

Don't you know  
I was yours from the very day  
That you happened to come my way

Can't you see  
I'm under your spell  
By the look in my eyes  
Can't you tell, can't you tell

Now, don't you know  
Every beat of my heart keeps crying out  
I love you so  
Don't you know

Don't you know  
Every beat of my heart keeps crying out  
I love you so  
Don't you know
