Slaves to the power of sin  
Once in captivity to darkness; spiritually dead  
A voice cried from the top of a hill  
"It is finished!"  
It awakened those who were once dead  
But now we live  
For us  
Now we live a new life in freedom  
Not being enslaved by the power of any  
Jesus' blood has made us free  
But the battle still remains  
We contend not with flesh and blood  
But with spiritual darkness

For this we wage war  
But not against man  
This war is with darkness  
And not against flesh and blood

The Holy Book makes it clear as to how ought to fight  
Put on the armor of God  
Not by your might  
Pray always with all supplication

In the spirit  
to the pulling down of strongholds and crushing of  
Satan's plan

For this we wage war  
But not against man  
This war is with darkness  
And not against flesh and blood

This war is not for wimps  
The emaciated  
Or the weak  
It's for those who bear their cross and believe the  
power of Jesus' name  
Christianity  
A reality  
It's a fight to let you know  
About a man who gave his flesh and blood to save your

Hellbound soul
