A man's life, a boot camp  
Preparing him for the grave  
There is nothing more to living  
Or so I thought I heard them say

Existence carnal, I am but a man  
Drifting in a soul filled ocean  
Fallibility, a probability  
Humanness takes its toll on me

(WRITE YOUR WORD - ON MY HEART)

Time after time, we make the same  
Line after line, when will we learn

A cosmic commotion  
Psychic friends on TV  
Call, inquire about your future  
Falsified guarantee

Man's deception  
Satan's deceit in a world  
Full of washed convictions  
An emptiness in the mind of  
The viewer of the screen  
To believe in such idiocy

To live and learn the nature of man  
No one escapes this lesson  
Father please forgive me for  
I know well what I do  
Just surround me with your love  
And help me LEARN
