(Jimmy P. Brown II, George Ochoa)

The preacher speaks his idiocy  
In the name of prophecy  
Submit to me to be allowed  
Into the ministry  
He knows what to say  
To make you feel good  
But your mind is plagued with confusion  
Something's left not understood  
Who is man to formulate  
The way God uses men?

They pervert the word to indulge  
In their lusts  
You fool your being lied to  
In the name of Christianity  
Sixty six books tell it like it is  
Not an act or liturgy!  
Prophet of idiocy
