Insanity is filling me with unreality  
My mind is a pit of morbid fantasy  
The more my mind wanders  
The more I indulge of a fantasy so un-utterable  
The more real it becomes

Imagine I am the king and you are the queen  
You lied and said you would set me free  
Of this temporary insanity

I look in the mirror and what do I see  
That I have become an image of Thee  
To take your own life is what you have schemed  
But for some reason unseen  
The victim is me

The ultimate selfishness  
To not care for no one else  
Because all I think of is me  
In my temporary insanity

I look in the mirror and what do I see  
That I am you and you are me

Insanity is filling me with unreality  
My mind is the pit of a morbid fantasy  
The more my mind wanders  
The more I indulge of the fantasy that was so un-  
utterable  
The more real it has become

I have fulfilled my fantasy  
I learned it was I who lied to me  
Now I burn eternally  
in my temporary insanity
