"And That Reminds Me"

I hear the sound of music
Your favorite kind of music
And that reminds me dear of you
I see the summer roses
Your favorite shade of roses
And that reminds me to of you dear

If I could hear no music
If there should be no roses
No summer nights to make me dream as I do
Perhaps I might forget you
But in my heart I know
That I need no reminder to miss you so

I hear the sound of music
Your favorite kind of music
And that reminds me dear of you
I see the summer roses
Your favorite shade of roses
And that reminds me to of you dear

If I could hear no music
If there should be no roses
No summer nights to make me dream as I do
Perhaps I might forget you
But in my heart I know
That I need no reminder to miss you so
