Don't you know
I have fallen in love with you
For the rest of my whole life through

Don't you know
I was yours from the very day
That you happened to come my way

Can't you see
I'm under your spell
By the look in my eyes

Can't you tell, can't you tell

Now, don't you know
Every beat of my heart keeps crying out
I love you so
Don't you know

Don't you know
Every beat of my heart keeps crying out
I love you so
Don't you know
