I had the craziest dream last night, yes, I did
I never dreamt it could be
Yet there you were in love with me

I found your lips close to mine
So I kissed you and you didn't mind it at all
When I'm awake such a break never happens
How long can a girl go on dreaming?

If there's a chance that you care
Then please say you do, my baby
Say it and make my craziest dream come true

I found your lips close to mine
So I kissed them and you, you didn't mind it at all
When I'm awake, such a break never happens
How long can a girl go on dreaming?

If there's a chance that you care
Then please say you do, oh baby
Say it and make my craziest dream come true
My craziest dream come true
