I know that someday
You'll want me to want you

When I'm in love with somebody else
You'll expect me to be true and to go right on loving
you

Although I've been feeling pretty blue
I think that I know how to forget about you

And I know someday you're gonna want me to really
want you
When I am strong for somebody new
And although you don't want me now
I'll get along somehow
And then I won't want you.

Although you do not want me now
No you don't, you don't want me now, but
I'll get along somehow
Then maybe then I won't, oh baby I won't
Baby, I won't want you

One more time
I said although you do not want me now
No you don't, you told me you don't want me now, but
I'm gonna make it, I feel like I can make it any old how
Maybe then I won't, maybe then I won't, maybe I won't
want you

I like it, I like it, I like it
I said although you do not want me now
I got a feelin' you don't want me now, but I know that
I'm gonna make it, I feel like I can make it any how, yes
indeedee
Maybe then I won't, maybe then I won't, maybe I won't
want you

I can't stop singin' it
One more one more time
I said, although you do not want me now

No you told me you don't want me now, but
I know, I know I know how to make it any old how
Maybe then I won't, maybe then I won't, maybe baby I
won't w
