Got a goose-bump on my neck
Got a shortness in my breath
Got a sense of history,
Still a shroud of mystery,
There's a yearning in my soul,
For a love I used to know,
Something praying in my mind,
Will there be a better time and...

Did we ever really try to make it?
Did we ever really try?
Did we ever really to face it?
To see eye to eye.
Or did we just run cause it's too hard?

And we keep on running on the spot.

I got lightning in my veins,
A desire that never wains,
I can't sleep a wink tonight,
Lie awake still mystified that...
I had a chance to make it real,
I had a chance to break, the wound wouldn't heal,
Now what am I to do,
When I don't have you, when I don't have you...

Did we ever really try to make it?
Did we ever really try?
Did we ever really try to face it?
To see eye to eye.
Or did we just run cause it's too hard?

And we keep on running on the spot!

Too hard, too hard, too hard...

Did we just run cause it's too hard?
Did we just run cause it's too hard?

Did we ever really try to make it?
Did we ever really try?

Did we ever really to face it?
To see eye to eye.
Oh did we just run cause it's too hard?
Or did we just run cause it's too hard?
