I've been a Rambler, all my life
Been a bet it all gambler
Yeah I let it all ride
Never been afraid of losin
Yeah there's been times I've lost it all
But it won't really matter
Someday when I'm gone

You can bury me on Deadwood Mountain
By my brother wild Bill and sister calamity Jane
Don't bring me no flowers
Just a six gun smokin
Put me eight feet down
When you bury me
Put me eight feet down
When you bury me

When your heart runs deeper
Then a ghost town gold mine
You just know your bound to find that motherload
You'll spend your last heartbeat chasing after rainbows
No there's no place you won't go
To win one more time
You can bury me on Deadwood Mountain
By my brother wild Bill and sister calamity Jane
Don't bring me no flowers
Just a six gun smokin
Put me eight feet down
When you bury me
Put me eight feet down
When you bury me

And cover me a little extra deep
Cause that's the only way
I'm ever gonna rest in peace

You can bury me on Deadwood Mountain
By my brother wild Bill and sister calamity Jane
Don't bring me no flowers
Just a six gun smokin
Put me eight feet down
When you bury me

Put me eight feet down
When you bury me
