Christmas is a time, a special time of year  
With peace and joy and happiness and, wonderment  
and cheer  
Opening your presents underneath the tree  
And spending countless hours with your family

That's why I'm drinking drinking drinking  
I'm gonna drink all day  
I'm coming home for Christmas and my family's insane  
Just got to make it through the day  
And there's no other way  
I'm gonna get drunk, drunk, drunk on Christmas

So I can't be sober when I'm over, everyone's bipolar  
So cut the crap and get some Jack and put it in my soda  
And make it strong enough to put a reindeer in a coma  
Gonna get drunk, drunk, drunk on Christmas

I'm heading home for the Holiday season  
My dad has a stick up his butt for some reason  
My mother and my sister, they're no longer speaking  
And me, I'm drinking

Rumple Minze by the shot  
Gin and tonic, yeah why not  
Black and Tan, that's my jam  
Irish whiskey I will slam  
J?germeister, Hefenweisser  
Stella, Stoli and Budweiser

Santa, Santa, Santa, I've got the family blues  
Just fill my stocking full of vodka, any brand you  
choose  
I need some Christmas spirit, and by spirit I mean  
booze  
Gonna get drunk, drunk, drunk on Christmas  
Gonna get drunk, drunk, drunk on Christmas  
Gonna get drunk, drunk, drunk,  
On Christmas Day
