La la la la la la la

Sometimes when I sleep  
I can see you walkin' back to me  
And sometimes I wake up  
'Cause I swear I felt your touch

Then emotions overcome me  
And the darkness is so cold

I light a candle, watch it burn  
I feel the angels come and fill this room  
Oh, when you're gone, I miss you so much  
I do the only thing I can do, I pray for you, I pray for you

La, la la la  
La la la la la la la

Every minute of the day  
I can clearly see your face  
And every minute we're apart  
Oh, you know, it just breaks my heart

I'm so lonely but I'm okay  
'Cause I know we'll be together again

And I'll light a candle, watch it burn  
I feel the angels come and fill this room  
Oh, when you're gone, I miss you so much  
I do the only thing I can do, I pray for you, I pray for you  
Oh, I pray for you

"Please hold her and protect her  
'Til she's back here in my arms again  
Oh, and tell her how I love her  
And I'll be waitin' right here forever, amen"

I feel the angels come and fill this room  
Oh, when you're gone, I miss you so much

I do the only thing I can do, I pray for you, I pray for you

Oh, la la la la la  
La la la la la la la  
La la la la la  
La la la la la la la

La la la la la  
La la la la la la la
