see your momma, and the candles and tears and roses
I see your daddy walk his daughter down the isle
Now my knees start to tremble as I tell the preacher
Don't she look beautiful tonight
All the wonderful words in my head I've been thinking
You know I want to say 'em all just right
I lift your vale, and angles start singing
Such a heavenly sign

Chorus

Lost in this moment with you
I am completely consumed
My feelings so absolute, there's no doubt
Sealing our love with a kiss
Waitin' my whole life for this
Watching all my dreams come true
Lost in this moment with you

I smell the jasmine floating in the air like a love song
Watch my words draw sweet tears from your eyes
Bow our heads while the preacher talks to Jesus
Please bless this brand new life

Chorus

Lost in this moment with you
I am completely consumed
My feelings so absolute, there's no doubt
Sealing our love with a kiss
Waitin' my whole life for this
Watching all my dreams come true
Lost in this moment with you

Chorus

Lost in this moment with you
I am completely consumed
My feelings so absolute, there's no doubt
Sealing our love with a kiss
Waitin' my whole life for this
Watching all my dreams come true
Lost in this moment with you

Lost in the moment, (in the moment) in this moment
with you
Lost in the moment, yeah
Lost in the moment, (in the moment in this moment with
you
Lost in the moment
