See your mama and the candles and the tears and roses

I see your daddy walk his daughter down the aisle
And my knees start to tremble as I tell the preacher
?Don't she look beautiful tonight??

All the wonderful words in my head I've been thinkin'
You know I wanna say 'em all just right
I lift your veil and angels start singing
Such a heavenly sight, yeah

Lost in this moment with you
I am completely consumed
My feeling's so absolute
There's no doubt

Sealing our love with a kiss
Waited my whole life for this
Watching all my dreams come true
Lost in this moment with you

I smell the jasmine floatin' in the air like a love song
Watch my words draw sweet tears from your eyes
Bow our heads while the preacher talks to Jesus
?Please bless this brand new life,? yeah

Hey, lost in this moment with you
I am completely consumed
My feeling's so absolute
There's no doubt

Sealing our love with a kiss
Waited my whole life for this
Watching all my dreams come true
Lost in this moment with you, yeah

Lost in this moment with you
I am completely consumed
My feeling's so absolute
There's no doubt

Sealing our love with a kiss

Waited my whole life for this
Watching all my dreams come true
Lost in this moment with you

Lost in the moment
In this moment with you
Lost in the moment, yeah

Lost in the moment
In this moment with you
Lost in the moment, yeah
