I see people gettin' mad on CNN  
Who's right? Democrats or Republicans  
I don't care, who's right or wrong  
I know a way, we can all get along

Let's take a ride  
Let's take a ride on the love train  
Unwind, we'll be chuga luggin' all the way  
Let's roll, like a stone playin' all day, hey  
Let's take a ride  
Let's take a ride on the love train, yea yea yea

The whole color thing's never made sense to me  
Who gives a hoot, if you're red, yellow, purple or pink?  
We're all mixed up anyway  
We might as well give each other a brake

And take a ride  
Let's take a ride on the love train  
Unwind, we'll be chuga luggin' all the way  
Let's roll, like the stone playin all day, hey  
Let's take a ride  
Let's take a ride on the love train, yea yea yea yea

So let's forget about the hatin'  
And the way the bulls are playin'  
Without Jordan on the team  
And the high price of gasoline  
And if your livin' in a bubble  
Then I guess you got no troubles  
But if your anything like me  
Well then I bet you really need

To take a ride  
Let's take a ride on the love train  
Unwind, we'll be chuga luggin' all the way  
Let's roll, like the stone playin' all day, hey  
Let's take a ride  
Let's take a ride on the love train  
Let's take a ride on the love train  
Let's take a ride on the love train, yea yea yea
