Covered wagon medicine show
Take you to the place where the healing flows
Weak in spirit, we got the juice
Won't save your soul, it'll shine your shoes
Treated king to kangaroo
Santa Fe to Timbuktu
Don't be fooled by imitation
This is the stuff that cured a nation
We took the tube and the high plains too
Never stopped long, just passing through
A drop of the laughter of the maids of France
Makes a hopeless cripple dance
It was really vile weather when we got to tarred and feathered
You could hear the six guns sound as they chased us out of town
In India we're all the rave
Discovered that it's great as aftershave
Dropped in the sea, just off Japan
Swapped 20 bottles for an aqua-walkman
Immunity from ridicule
Improves your brains if you're a fool
And I read in the Middle East, they traded some for a hostage release
Now if you're bald it'll give you hair
If you got straight trousers it'll give you flares
Feeling up, you'll get depressed
Out of style, here's a brand new dress
It was really vile weather when we got to tarred and feathered
You could hear the six guns sound as they chased us out of town

Who the hell is that?
One bastard goes in, another comes out
Cut it out (Come over here)
Cut it out
Cut it out (Come over here)
Cut it out

I'm innocent of anything!

Are you making some kind of joke?
Ooh no!
I don't think it's nice, you laughing

The stuff we sell is just the best
Passing all consumer test
Days of heaven, nights of sin
Voodoo stick and sharks fin
When all around you seems like hell, just one sip will
make you well
Multipurpose in a jar
If you ain't I'll it'll fix your car
In days of yore for all bad feelings
Washing socks and stripping ceilings
Nowadays it's used medicinally for all known human
malady
It was really vile weather when we got to tarred and
feathered
You could hear the six guns sound as they chased us
out of town
