I?m a little bit crazy
I?m a little bit reckless with this life
Well, I don?t worry
?Cuz Heaven?s on my side

When you?re walkin' on water
The waves, they try to knock you down
You?ll beg and borrow
To go another round

Throw the cards on the table
Hit me once then hit me again
I?m not afraid ?cuz I?m able to win
It?s like I?ve never been down before
Like I?ve never been down
It?s like I?ve never been down before
Like I?ve never been

Too afraid to risk it
Double down and bet it all
?Cuz if you?re ever gonna win it
You got to make the call

Throw the cards on the table
Hit me once then hit me again
I?m not afraid ?cuz I?m able to win
It?s like I?ve never been down before
Like I?ve never been down
It?s like I?ve never been down before
Like I?ve never been

Inside the black or red, I never lose my head
As long as I get to play
You?ll never see me frown, no matter up or down
I?m still in the game

Throw the cards on the table
Hit me once then hit me again
I?m not afraid ?cuz I?m able to win
It?s like I?ve never been down before
Like I?ve never been down
It?s like I?ve never been down before

Like I've never been down
